As of right now all activities are being held in the individual houses. However, we are still staying active during this time because we still know how to have fun around the holidays but be safe as well. We will do activities like Walkie Talkie Bingo and exercise. We plan on doing crafts, watching movies, and enjoying holiday treats as well.

If restrictions on our campus get better, we plan to change the schedule around to have more of a variety. We are doing everything we can to keep everyone safe but entertained at the same time. Activity booklets will be handed out weekly as well. We thank everyone for their patience and cooperation during this time.
